Business Website	Up to 10 pages, CMS (easy content updates), gallery/blog, SEO setup, 2 revisions	From TZS 850,000
E-Commerce Website	Product catalog, cart & checkout, M-Pesa/payment ready, admin panel, training	From TZS 1,800,000
Custom Web Portal	User accounts, dashboards, APIs, role-based access — built to your workflow	From TZS 2,500,000
Website Redesign	Modern rebuild of an existing site with improved UX, speed & mobile layout	From TZS 650,000
Hosting & Domain (Annual)	Secure hosting, SSL, email setup, backups & uptime monitoring	From TZS 180,000 / yr
Website Maintenance	Updates, security patches, content edits (up to 4 hrs/month)	From TZS 80,000 / mo
SEO Package	On-page SEO, Google Business, keyword research & monthly report	From TZS 150,000 / mo

2. Software Solutions — Management Systems

Practical systems already trusted by schools, shops, churches, hostels, and cooperatives across Tanzania. Prices below are setup / license starting packages; annual support is optional.

Service / Package	What's Included	Starting Price
ShuleXpert — Basic	School management: students, attendance, exams, fees (single campus, up to 500 students)	From TZS 1,200,000
ShuleXpert — Standard	Full modules + parent portal + SMS alerts (up to 1,500 students)	From TZS 2,200,000
ShuleXpert — Enterprise	Multi-campus, advanced reporting, custom workflows & priority support	From TZS 3,500,000
MauzoLink — Starter	POS + inventory for retail / restaurant / SME (1 outlet, 2 users)	From TZS 750,000
MauzoLink — Business	Multi-user POS, stock, sales reports, supplier tracking (up to 3 outlets)	From TZS 1,500,000
WauminiLink	Church management: members, events, donations, communication tools	From TZS 900,000
PangishaLink	Hostel / property booking & occupancy management	From TZS 1,100,000
SACCOSLink	SACCOS / cooperative: members, shares, loans, savings & reports (TCDC-ready)	From TZS 2,000,000

Service / Package	What's Included	Starting Price
Hotel / Custom System	Hotel, booking, or bespoke business system (scoped after consultation)	From TZS 1,800,000
Annual Support Plan	Updates, bug fixes, remote support & system health checks	From TZS 300,000 / yr

3. Tourism Software Tools Panel

Specialized software development tools for safari operators, tour companies, lodges, and destination websites. Each tool can be delivered standalone or bundled into a Tourism Operator Portal.

Service / Package	What's Included	Starting Price
Wildebeest Migration Tracker	Interactive map & calendar of Serengeti / Ngorongoro migration seasons with live-style updates for guests	From TZS 1,500,000
Live Safari Budget Calculator	Dynamic quote tool: park fees, days, group size, vehicle & lodge options — instant client estimates	From TZS 1,200,000
Best Time to Visit Finder	Smart recommendation engine by park, wildlife interest, weather & budget preferences	From TZS 950,000
Smart Safari Packing List	Personalized packing lists by season, trek type, altitude & trip duration (web / WhatsApp-ready)	From TZS 650,000
Kilimanjaro Route & Altitude Planner	Route comparison (Machame, Lemosho, Marangu, etc.), day-by-day altitude profile & acclimatization tips	From TZS 1,350,000
Interactive National Park Explorer	Explore parks (Serengeti, Tarangire, Nyerere, etc.) with maps, highlights, animals & suggested itineraries	From TZS 1,600,000
Tourism Tools Bundle (All 6)	All tools above integrated into one branded Tourism Panel + admin dashboard + training	From TZS 6,500,000
Materuni / Attraction Booking	Custom waterfall / attraction booking system (as live on Tz-Pure Nature)	From TZS 1,400,000

Bundle savings: Choosing the Tourism Tools Bundle saves vs. buying each tool separately. White-label branding for your tour company is included in the bundle.

4. Graphics Design

Branding and marketing visuals that make your business memorable — from logos to print-ready banners and apparel mockups.

Service / Package	What's Included	Starting Price
Logo Design	3 concepts, 2 revision rounds, brand color guide & file formats (PNG, SVG, PDF)	From TZS 150,000
Brand Identity Kit	Logo, business cards, letterhead, social media kit & brand usage guide	From TZS 450,000
T-shirt Mockups Designing	Print-ready artwork + realistic mockups (front/back), up to 3 design concepts	From TZS 80,000
Posters	A3 / A2 / A1 event or promo poster — print-ready files, 2 revisions	From TZS 60,000
Tear / Rollup Banner Designing	Retractable roll-up (typically 85×200 cm) or tear drop banner design — print-ready	From TZS 100,000
Flyer / Brochure	Single or tri-fold marketing flyer with professional layout	From TZS 70,000

Service / Package	What's Included	Starting Price
Social Media Graphics Pack	10 branded posts / story templates for Facebook, Instagram & WhatsApp	From TZS 120,000
Certificate / ID Card Design	School or company certificate / staff ID card template	From TZS 50,000

5. Social Media Management

Setup, branding, and day-to-day management so your business stays visible, interactive, and trusted online.

Service / Package	What's Included	Starting Price
Account Setup & Branding	Profile optimization, covers, bio & highlights for up to 3 platforms	From TZS 100,000
Starter Management	8 posts/month, basic engagement, monthly performance summary	From TZS 250,000 / mo
Growth Management	16 posts/month, stories, ads guidance, community replies, monthly report	From TZS 450,000 / mo
Premium Management	Daily content, ad campaigns, influencer coordination & detailed analytics	From TZS 750,000 / mo
Content Creation Only	Photography / design content pack without full page management	From TZS 180,000 / mo

6. ICT Consultancy

Strategic guidance from assessment to implementation for smart digital transformation.

Service / Package	What's Included	Starting Price
ICT Needs Assessment	On-site / remote audit of systems, risks & opportunities with written report	From TZS 350,000
Digital Transformation Plan	Roadmap, tool recommendations, budget plan & phased implementation timeline	From TZS 800,000
Process Automation Advisory	Workflow review & automation recommendations for schools / SMEs / NGOs	From TZS 500,000
Half-day Consultation	Focused strategy session with actionable next steps	From TZS 150,000
Full-day On-site Consulting	Hands-on consulting at your premises (Moshi & nearby regions)	From TZS 280,000

7. ICT Infrastructure & Cloud

Design, supply, installation, and management of reliable, secure technology environments. Equipment costs are quoted separately based on brand and quantity.

Service / Package	What's Included	Starting Price
Structured Cabling (per point)	Network point installation — labor & termination (cable/materials extra)	From TZS 45,000 / pt
Office Network Setup	Router, Wi-Fi, LAN config, sharing & basic firewall for small office	From TZS 350,000
